

## Late Night Jazz: New York, New York! (W)

Samstag, 25. März 2017, 22.05 - 24.00 Uhr

Gäbe es eine Hitparade, welche Stadt dieser Erde am meisten besungen wurde, New York gewänne das Rennen mit Sicherheit, - wohl vor Paris! Allein der Central Park inspirierte ein halbes Dutzend Songwriter, nicht zu reden vom Broadway, von Harlem, vom Zauber des Big Apple als Ganzes. Ein Lied behauptet zwar, „My Kind of Town“ sei Chicago, fast sämtliche Komponisten des Great American Songbook allerdings sind dezidiert anderer Meinung. „If you can make it there, you’ll make it everywhere“, das gilt nur für New York!
