2. Pancakes &amp; Karate

10:00 Minuten

**Scene 1**  
**00:00-01:52**

*Lily's on Skype with Hannes who is making pancakes. Nino passes through the background several times, struggling with cleaning equipment, looking very unsure of what he's doing.*

**Lily:** Well, come on, Haynes, what's going on?

**Hannes:** Well, it was a very big surprise that you weren't here, when we arrived last week. But we have found everything. And thank you for the sheep pie it was...

**Lilly:** Shepherd's pie.

**Hannes:** The shepherd's pie – it was delicious. Nino ate, er, mountains of it. He needs a lot of food.

**Lily:** A man with an appetite! That's what I like! So, what else is going on?

**Hannes:** Pardon?

**Lily:** What are the girls like?

**Hannes:** They're very nice. Elizabeth has a... strong character. And I like Holly a lot. She does karate in the garden.

**Lily:** Ooh, the neighbours will be impressed.

**Hannes:** I'm making pancakes for breakfast.

**Nino:** And I tell you Lily: Hannes only makes pancakes for people he really likes.

**Lily:** Well, you'd better strike while the iron's hot!

**Nino:** Iron? Hot iron? Lily, do I have to do the ironing too?

**Lily:** No love, it's just a saying. I'm telling Haynes if he likes Holly he'd better get a move on. Do something about it. Got to dash – loads of questions to be answered in the chatroom.. Ciao!

**Scene 2**  
**01:52-02:58**

*Cut to short musical montage with Nino attempting to do the house work.*

**Scene 3**  
**02:58-04:21**

*Holly is doing her karate practice in the garden when Elz comes out of the conservatory door. Phil is in the garden next door.*

**Elizabeth:** You know what, Holly? I don't think our Nino has ever done any housework in his entire life. He's useless.

**Holly:** Hannes seems to be more organized.

**Elizabeth:** This karate thing is taking a bit of time, isn't it?

*A brief, knowing glance from Elz over to the neighbours. Phil is cleaning windows.*

**Elizabeth:** You quite like Phil, don't you?

**Holly:** Phil? Oh that Phil. He's quite cute, I suppose.

**Elizabeth:** So is it Haynes or Phil that you fancy? I think Haynes is a bit geeky - he just loves his computer!

**Holly:** Well, Phil is fun and Hannes is interesting – so I guess we'll see.

## Flirt English (2. Staffel): 2. Pancakes &amp; Karate

**Elizabeth:** Well, get a move on. Haynes is making pancakes. The kitchen's a tip. We've got to get the food and the cleaning and all of that sorted. There's a whole bunch of stuff on this list from Lily. So I've told them we're having a strategy meeting.

**Holly:** I love pancakes.

**Scene 4  
04:21-05:11**

*Nino is standing in the kitchen with a pile of rubbish and the 3 recycling bins – he looks completely confused.*

**Hannes:** Was machst du da?

**Nino:** Ich kümmere mich um den Müll. Einer muss hier ja mal aufräumen. Das Haus ist totales Chaos.

**Hannes:** Das macht dir doch sonst nichts aus.

**Nino:** Jaja, aber Elizabeth hat ein Fax von Lily bekommen mit einer kompletten Liste drauf, was gemacht werden muss.

**Hannes:** Ach, deshalb will Elizabeth ein „strategy meeting“ machen.

**Nino:** Was für ein „strategy meeting“?

**Hannes:** Sie meint, wir müssen uns alle hinsetzen und das Kochen und Aufräumen organisieren.

**Nino:** Die will mich doch nur weiter rumkommandieren.

**Hannes:** Ich find die Idee gut. Ich kann ja mit Holly schon mal eine Tabelle vorbereiten.

**Nino:** Ach so, mit Holly. Mir scheint die ja ein bisschen still zu sein...

**Hannes:** Nein, ist sie nicht. Sie ist... sensibel und echt schlau. Wirst schon sehen.

**Scene 5  
05:11-07:00**

*Later that afternoon at the strategy meeting. Hannes is sitting with his computer next to Holly.*

**Elizabeth:** Wash the kitchen and bathroom floor.

**Holly:** I hate using the mop. I get water everywhere.

**Elizabeth:** So, wash the kitchen and bathroom floors – Nino can do that.

**Nino:** But...

**Elizabeth:** Vacuuming the rooms and the stairs?

**Holly:** I could do that, but I don't know how to work Lily's vacuum cleaner.

**Elizabeth:** Nino can do it. He worked it out this morning.

**Nino:** But...

**Elizabeth:** Dusting the ornaments and the pictures.

**Hannes:** I'd like to do that.

**Elizabeth:** Excellent. You see, Nino, Haynes volunteers for everything!

**Nino:** But...

**Elizabeth:** Watering the plants in the garden?

**Holly:** I'd rather be outdoors, so I'd like to do that.

**Nino:** But...

**Elizabeth:** What, Nino?

**Nino:** But what are you going to do, Elizabeth?

**Elizabeth:** I'm going to do the most important job of all.

**Nino:** What's that?

**Elizabeth:** Watering Lily's orchids.

**Holly:** And what about the kitty, Elz? We need a pot for the kitty.

**Nino:** Ein „kitty“?

## Flirt English (2. Staffel): 2. Pancakes &amp; Karate

**Hannes:** A cat? We have a cat here?

**Elizabeth:** A cat? Who said anything about a cat?

**Hannes:** Kitty – das ist doch ein kleine Katze, oder? A small cat?

**Holly:** Oh no! It's not a kitty cat. A kitty is money that you all put in together to buy everyday things.

**Elizabeth:** Like toilet rolls.

**Nino:** And milk? And tea.

**Hannes:** We don't have kittys in Germany. But I think it's a very good idea. Holly and I can maybe go and get...

*Phil arrives.*

**Phil:** Hi guys. Do you want anything from the supermarket?

**Holly:** Oh yes – I'll come. Er, we were just talking about getting food, weren't we, guys?

**Holly:** We'll get the basics. We'll sort the kitty out later.

**Elizabeth:** See you.

**Scene 6**  
07:00-07:30

*The boys are sitting on the swing in the garden. Hannes looks a bit down.*

**Hannes:** Ich wär auch gern mit Holly zum Supermarkt gegangen.

**Nino:** Zu langsam, Alter. Erinner dich, was Lily gesagt hat? 'Strike while the iron is hot'. Kluge Frau!

**Scene 7**  
07:30-08:10

*Holly and Phil are leaving the supermarket.*

**Holly:** 20 quid from the kitty and there's not much there!

**Phil:** How are you all doing for money?

**Holly:** Not good. We all need jobs. I'm going to advertise to teach private English lessons.

**Phil:** No problem in Brighton. It's full of foreign students.

**Holly:** And Elz is looking for a job as an assistant in a clothes store. She just loves her clothes.

**Phil:** What about the boys?

**Holly:** I think Hannes has a grant, but Nino needs a job.

**Phil:** What's he good at?

**Holly:** I'm not sure. I know he's into fitness in a big way.

**Phil:** There's a gym near here and they're advertising for a helper in the window.

**Holly:** Can we have a look?

**Phil:** Yes, sure.

**Scene 8**  
08:10-10:00

*Later in the day the four of them meet up in a pub. It's a very jolly pub full of young people. We see Nino and Elizabeth sitting down while the others get the drinks.*

**Nino:** I think Hannes wanted to go to the supermarket with Holly.

**Elizabeth:** Well he was a bit slow off the mark. He'll have to be a bit smarter if he wants to impress our Holly.

**Nino:** He wasn't striking hot enough the iron!

**Elizabeth:** Pardon?

Flirt English (2. Staffel): 2. Pancakes & Karate

*The others arrive back with the drinks.*

**Elizabeth:** Right, strategy! ... Well, what have we achieved today?...  
We cleaned the house...

**Nino:** I cleaned the house!

**Elizabeth:** And I got a job in a bespoke tailor shop for men.

**Hannes:** Bespoke?

**Elizabeth:** They sell made-to-measure clothing for men.

**Nino:** You will have to be nice to the men and make tea all day.

**Holly:** I've found a job for Nino. Phil saw it in a gym window near us.

**Nino:** With that body, I am good for it.

**Elizabeth:** I reckon it will be picking up dirty towels, cleaning the toilets, and...

**Hannes:** Making the tea!

*Nino, who is in the middle of flexing his muscles, looks deflated.  
Laughs all around.*
