Dienstag, 18. Dezember 2012, 20.00 - 21.00 Uhr

Samstag, 22. Dezember 2012, 22.00 - 24.00 Uhr (Zweitsendung)

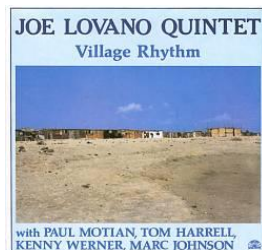

Als Leader seiner eigenen Bands und als gefragter Gast bei allen Grossen des zeitgenössischen Jazz hat sich Joe Lovano seither ein unverwechselbares Profil erspielt, mit technischer Meisterschaft in allen Registern seines Instruments. Immer mit dem Ziel «innerhalb des Songs, den man spielt, so expressiv wie nur möglich zu sein». Das Berklee College of Music, an dem er auch unterrichtete, hat ihn 1998 mit einem Ehrendoktor ausgezeichnet. Der Tenorsaxophonist Christoph Grab würdigt den modernen «Tenor Giant» zu dessen 60. Geburtstag.
