

Jazz Collection: Marc Johnson (W)

Samstag, 25. Januar 2014, 22.00 - 24.00 Uhr

Mit grossen Gitarristen von John Abercrombie über Bill Frisell bis zu John Scofield arbeitete er immer wieder zusammen, und kreierte immer wieder diesen ganz spezifischen Band-Sound. In jüngster Zeit ist er immer wieder mit seiner Frau, der Pianistin und Sängerin Eliane Elias zu hören; in einem Setting, in welchem die afro-brasilianische Musik eine entscheidende Rolle spielt. Gast von Peter Bürli ist der Zürcher Bassist Patrick Sommer.
