

Late Night Jazz: Frühling

Samstag, 08. April 2017, 22.05 - 24.00 Uhr

Nach langen Monaten in denen es früh dunkel wurde und wir uns im Haus verschanzten, lässt der Frühling nicht nur sein Blaues Band durch die Lüfte wehen. Sondern er lässt unsere Herzen leicht werden und die Haut warm, das Gemüt heiter und den Kopf frei, kurz: Er lässt uns wieder uns selber sein, draussen an der Sonne, mit Amselgesang im Ohr! Das haben viele Songschreiber auch so oder ähnlich gespürt, und ihre Empfindungen in Wort und Ton gefasst. 26 Spring Songs in Late Night Jazz.
