

Late Night Jazz: Wochentage

Samstag, 01. Juli 2017, 22.05 - 24.00 Uhr

Frank Sinatra hatte schon recht: Wenn man verliebt ist, spielt der Wochentag keine Rolle. „Day by Day“ heisst der Song von Sammy Cahn, den er sich zu Eigen gemacht hat. Es fällt aber doch auf, dass die Songschreiber die Wochentage auf geradezu ungerechte Weise besingen, der Sonntag kann sich kaum retten vor Lobhudelei, während der Mittwoch in keinem einzigen Lied positive Erwähnung findet. Zwei Stunden Wochentage in Songform in Late Night Jazz!
